

Curtis Repair Café

Why replace when you can repair?

Repair Café is a global movement with the goal of reducing waste and educating people on how to repair their everyday items rather than throwing them out.

Our Repair Café will have experts able to repair:

- electronics
- computers
- clothing
- small appliances
- wooden furniture
- outdoor gear
- plus tool sharpening!

Please bring your items to the library, first come, first served. If we can't repair it, we can help you find someone who can.

Questions? Please call the library at 725-5242 ext 4.

Sat. July 30th
10:00am - 12:00pm
Morrell Meeting Room
First come, first served.
